autodidact in art
doctor in engineering

Nature continuously provides me with life energy which I translate into GHiii-art.

My art sculptures are stepping out in 3D out from the picture background.
The light thus creates exciting shadow effects.
Each art work is alive and undergoes endless transformation.

Explore the hidden details of shadows and reflections.

There are plenty of natural inspiration impulses around us. However we often overlook as they are blended into our daily routines.
Explore, discover and enjoy the little wonders of nature and the inspiring energy from the little details.

Burj Al Arab

take the enerGHiii home

The Burj Al Arab is an icon for the power of inspiration – a dream which came true. With its innovative shape the Burj al Arab dynamically raises out from the Arabian Gulf. Water is the basis of life and also laid the source for Dubai with its seafaring heritage. The two frames of the Burj Al Arab open up towards the main land of Dubai – creating space for a colourful Dhow sail full of positive energy.

Gerald Huber is an inspirARTion artist born in Austria and living in Dubai since 2005. With his GHiii Art projects he targets to spread positive enerGHiii. In this 'enerGHiii token' the GHiii fish – same as the colourful sail of the original tower - symbolises the inspirational energy and the dream's breakthrough. Explore the token's shadow effects and allow the GHiii fish with the big smile to brighten up your days.

The Burj Khalifa is an icon for the power of inspiration – a dream which came true. Gracefully and yet powerful the Burj Khalifa raises out from the vast of the Arabian Desert. Water is the basis of life and also laid the source for Dubai with its seafaring heritage. The Burj Khalifa bridges the gap between earth and the sky - full of positive energy it touches the water in the ground as well as in the clouds.

Gerald Huber is an inspirARTion artist born in Austria and living in Dubai since 2005. With his GHiii Art projects he targets to spread positive enerGHiii. In this 'enerGHiii token' the GHiii fish symbolises the inspirational energy and the dream's break through. Explore the token's shadow effects and allow the GHiii fish with the big smile to brighten up your days.

GHiii art - the art to enerGHiii

Nature, water and fantasy continuously provide me with life energy which I translate into GHiii-art. No element is more important to our lives than water. Fish are strong symbols for positive emotions and luck in many cultures, and to me are the living ambassadors for the water's clean & pure energy.

Each art work is alive and undergoes endless transformation.

As the fish sculptures are physically stepping 3D outside the pictures altered lighting results in **countless shadow effects**.

Water is Life - Fish are the Energy - Light inspires the Fantasy.

DANCING WATERS

2007

DER QUELL DIESES KÜNSTLERISCHEN FEUERWERKES POSITIVER ENERGIE LIEGT IN MEINER FASZINATION VON DEN WASSER-WUNDER-WELTEN, DIE ICH IN FORM VON FANTASIEVOLLEN, EXTRAVAGANTEN FOTO-COLLAGEN FESTGEHALTEN HABE. JEDE EINZELNE FOTO-IMPRESSION STAMMT AUS EINEM STARKEN GHIII-ERLEBNIS, DAS ICH AUF MEINEN FERNEN REISEN EINFANGEN KONNTE. UM DIE EINZIGARTIGKEIT JEDES AUGENBLICKES ZU UNTERSTREICHEN, HABE ICH **FÜR JEDES WERK EINEN EIGENEN FISCH-AKTEUR** KREIERT, DER MIT SEINEN SCHATTENWIRKUNGEN AUF DER UNTERWASSER-BÜHNE MIT DEM BETRACHTER KOMMUNIZIERT.

THE GUIDING MOTIVATION BEHIND THIS ARTISTIC FIREWORK OF POSITIVE ENERGY HAS BEEN TO TRANSFER MY FASCINATION OF WATER WONDER WORLDS BY MEANS OF EXTRAVAGANT PHOTO COLLAGES, REFLECTIONS AND SHADOW EFFECTS. EACH PHOTO REFLECTS A STRONG GHIII-IMPRESSION WHICH I CAPTURED IN DIFFERENT PARTS OF THE WORLD. TO UNDERLINE THE INDIVIDUALITY OF EACH EXPERIENCE, EACH ART WORK GOT IT'S **DISTINCT FISH ACTOR** WHICH PERFORMS DANCING SILHOUETTES ON HIS UNDER WATER STAGE.

PAPIRANHAS- ACRYLANHAS 2002

DIE NAMENSGEBUNG DER PAPIRANHAS ENSTAND AUS EINEM WORTSPIEL – ALS VERKNÜPFUNG DES URSPRÜNGLICHEN PAPIER-MATERIALS UND DEN PIRANHAS ALS SYNONYM FÜR SCHWARMFISCHE. DIESE SPEZIES WURDE SCHON BALD DURCH DIE ACRYLANHAS AUS ACRYLGLAS ERWEITERT. UNTER BEACHTUNG DER UNTERSCHIEDLICHEN SCHATTEN-EFFEKTE GEWANN DIE **BELEUCHTUNG EINE GANZ BESONDERE BEDEUTUNG** FÜR DIESE 3D-KUNST: WASSER IST LEBEN – FISCHE SIND DIE ENERGIE – LICHT BRINGT DIE FANTASIE.

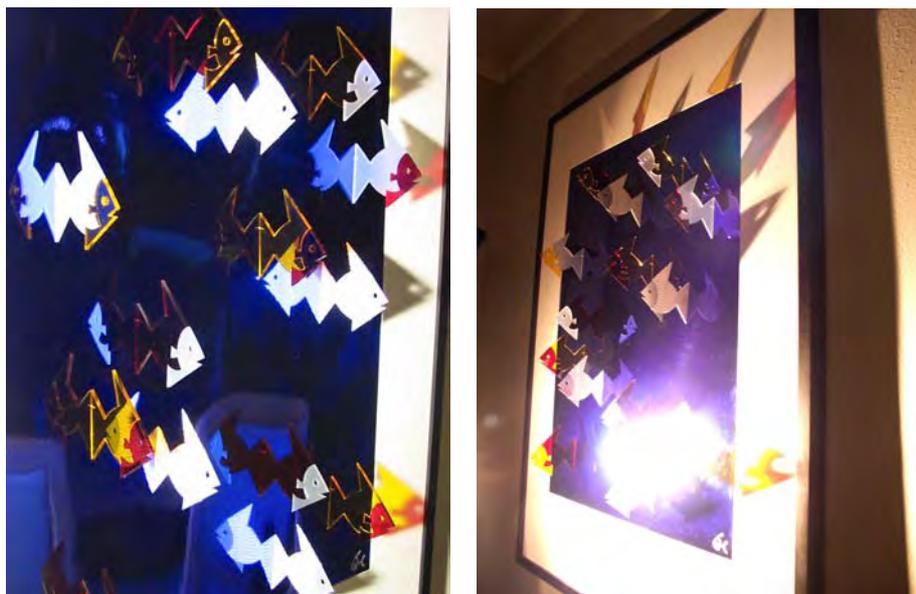

THE PAPIRANHAS WERE BORN FROM A PLAY OF WORDS COMBINING THE PAPER MATERIAL AND THE PIRANHAS - A SYNONYM FOR SCHOOLS OF FISH. THEY SOON WERE FOLLOWED BY THEIR ACRYLIC GLASS COMPANIONS – THE ACRYLANHAS. ATTACHING IMPORTANCE TO **LIGHT EFFECTS, SHADOWS AND COLOUR SILHOUETTES** ENTERING THE ART STAGE. WATER IS LIFE – FISH ARE THE ENERGY – LIGHT BRINGS THE FANTASY.
